### elite academy of dance policies

#### full session payment plan

Full Session Payment will be due at the time of registration. Class placement will NOT be held without full payment at that time.

#### two installment payment plan

Two installment billing is available by signing up for the automatic credit or debit card program. An authorization form giving Elite Academy of Dance your permission to charge your credit or debit account (1st payment on 6/15/26 and 2nd payment on 7/15/26) must be filled out at the time of registration. A new authorization form must be filled out for all previous students each new session. In the event that your tuition cannot be collected due to an expired or declined card, you will be contacted by Elite Academy of Dance. An alternate form of payment (cash, check, or different credit/debit card) must be submitted within one week after notification to avoid forfeiting your dancer's spot in class.

#### sibling tuition discount

Families with more than one child enrolled in classes will receive a 10% discount on tuition. The discount will be applied to the child with the lowest tuition. Discounts will not be applied to company or competition fees.

Elite Academy of Dance reserves the right to cancel or combine any class due to insufficient enrollment. Class minimum is eight students. If a class does not meet this minimum, it may be canceled or combined with another class. Student placement is subject to instructor's approval. An active email address is required at the time of registration. Any student who wishes to enroll in more than one section of a technique class (two levels of jazz, etc.) must see instructors for appropriate class options.

NO REFUNDS WILL BE GIVEN.

**Thank you for your understanding and for being a part of our program!**
