

elite academy of dance presents

Shining Stars

Shining Stars is a class offered free of charge to students with a variety of special needs, offering them an opportunity to participate in a weekly dance class throughout the year. Our Shining Stars explore a variety of dance styles, ranging from creative movement to ballet and jazz in a fun-filled 45 minute class. Our staff encourages the growth and development of all dancers in a warm, upbeat environment. Our Shining Stars are invited to perform in our Annual Spring Recital!
