tuition & recital costume payments

full 34-week session payment plan

Full 34-week session payment will be due at the time of registration. Class placement will NOT be held without full payment at that time.

9 installment payment plan

Monthly installment billing (9 installments) is available by signing up for the automatic credit or debit card program. An authorization form giving Elite Academy of Dance your permission to charge your credit or debit account on either the 1st or 15th of each month (Oct 2026 through May 2027) must be filled out at the time of registration. A new authorization form must be filled out for all previous students each school year. Your first installment (Sept 2026) will be charged at the time of registration. Class placement will NOT be held without payment at that time. In the event that your monthly installments cannot be collected due to an expired or declined card, you will be contacted by Elite Academy of Dance. An alternate form of payment (cash, check, or different credit/debit card) must be submitted within one week after notification to avoid forfeiting your dancer's spot in class.

recital costume payments

We must be notified if your child is NOT participating in the recital by Saturday, October 31st.

Recital costume deposits are due no later than Monday, November 16th and recital costume balances are due no later than Monday, February 15th for all families on our full 34-week session payment plan. For those families on our 9 installment payment plan, recital costume deposits will be charged along with your November 2026 monthly installment. Recital costume balances will be charged along with your February 2027 monthly installment.

We will be unable to order recital costumes for any dancer who has not submitted a recital costume deposit by Monday, November 16th. Recital costumes will not be sent home with any dancer who has not paid their recital costume balance by Monday, February 15th and/or who has an outstanding tuition balance at the time costumes are sent home.

Due to costume availability & ship dates, recital costumes may not be able to be ordered for dancers who enroll after Saturday, December 19th.

A \$10 late fee will be charged if full payment is not received by the above due dates. A \$25 fee will be charged to your account for any returned checks.

sibling discount

Families with more than one child enrolled in classes will receive a 10% discount on tuition. The discount will be applied to the child with the lowest tuition. Discounts will not be applied to costume, company, or competition team fees.
